NOT ONLY CONSTRUCTION, IT'S PROTECTION
IT'S NOT ONLY CONSTRU
PSC PROTECTION
FOR CONTRACTING & DESIGN

Protection depends upon its strong subsidiary companies for construction services

WHERE VISION BECOMES REALITY...

WELCOME TO PROTECTION FOR CONTRACTING AND DESIGN

PSC classified as a first-grade company [grade (A)] according to “the Egyptian federation for construction and buildings contractors”. Its clients are big reputable entities locally and internationally.

Protection for Contracting & Design (PSC) was established in 1995. With its rapid growth, it became a leader in delivering industrial and commercial buildings. It is distinguished by delivering high quality buildings, for more satisfaction to its clients.

With its Civil, Architecture, Electromechanical, and Design & Build departments, PSC delivers integrated project solutions — from EPC contracts to Facility Management — ensuring clients’ needs are fully met with efficiency and expertise.

OUR VISION

To remain the leading provider of quality construction and engineering services in the Local Market And to reach the Global markets as well

OUR MISSION

To form long-term relationships of value with our clients and partners by using quality construction and engineering solutions and employing the best resources and latest techniques by safely deliver any project, any time, in any environment for the benefit of our customers, employees and the community we serve.

PSC ensures a safe, healthy work environment through integrated HSE policies, continuous monitoring, and staff training. We proactively identify and control workplace risks to maintain the highest safety standards.

Certified with ISO 45001:2018.

CHAIRMAN MESSAGE

Since 1995, PSC has been dedicated to delivering high-quality industrial and commercial projects with integrity, precision, and care. Our success is built on strong partnerships, trusted relationships, and a commitment to exceeding client expectations.

Guided by Eng. Ahmed Hussein, we take pride in combining expertise, resources, and innovation to create lasting value for our clients and community. Looking ahead, we remain focused on sustainable growth, stronger collaborations, and contributing to the future of our industry.

Ahmed Hussien
